

6th LUNG ULTRASOUND COURSE: *a practical approach*

This interactive course is aimed at all medical professionals who want to develop skills in
Lung and Chest Ultrasound.

Hands-on course with volunteers and patients

Maximum ratio 5 delegates per skill station

Point-of-care ultrasound is increasingly acknowledged as a valuable tool for rapid and effective decision making, enhancing triage, diagnosis, therapy, monitoring and follow-up of the critically ill or injured patient. This course will give the participant the opportunity to gain basic and advanced competencies in chest / lung ultrasound and to start the accreditation process of

Core Ultrasound in Intensive Care (**CUSIC**).

17th & 18th May 2018 08.30 – 17.00

**Great Hall St. Bartholomew's Hospital
West Smithfield, London, EC1A 7BE
Barts Health NHS Trust**

Registration fees: £ 295 for both days
