# Joint Intensive Care Symposium

Thursday 17 and Friday 18 June 2010

Churchill House, London

The Intensive Care Symposium is being jointly organised by The Royal College of Anaesthetists, The Intensive Care Society and The Royal College of Physicians. The Symposium will feature sessions covering the following topics:

**Cardiology update**

**Respiratory issues in critical care**

**Sedation issues in critical care**

**Preventing ICU admission**

**Hearts and minds: early recognition and management**

A debate entitled '**High concentrations of oxygen should be given to all patients presenting with severe acute illness in A&E**' will be held during day two of the Symposium.

Please contact Dan Marsden at The Royal College of Anaesthetist for details of how to apply for the Symposium. Tel: 020 7092 1673, email [dmarsden@rcoa.ac.uk](mailto:dmarsden@rcoa.ac.uk)

**CPD:**

Approved for 10 CPD points

**Registration fee:**

£410 (£310 for registered trainees)

**Event Code:**

C55
